FORENSIC PROCESS

The Sammi Green Simulation

Delve into the forensic investigation process, exploring the MDT and their roles within the legal process, including how forensic interviews conducted at a Child Advocacy Center contribute to the investigation.

See how the strength of a Multidisciplinary Team can help a child through a traumatic situation.

Project FORECAST is a program funded by the Substance Abuse and Mental Health Services Administration (SAMHSA), U.S. Department of Health and Human Services (HHS). The views, policies, and opinions expressed are those of the authors and do not necessarily reflect those of SAMHSA or HHS.
